

GIS Technician

The City of New Richmond is accepting applications for a limited-term Geographic Information System (GIS) Technician. This position will assist with GIS project support across various City departments, as well as the development and maintenance of the City's enterprise GIS.

Candidates should have the skills and experience necessary to perform the following tasks: GIS data conversion and creation, map development, and field data collection. Candidates should be familiar with working with geodatabases (design, creation, editing, etc.), ArcPad, and digitizing.

Minimum qualifications: Pursuing a degree in a GIS-related field of study, experience with ArcGIS 10.x and Microsoft Office.

Preferred qualifications: GIS certificate, experience using Trimble GPS equipment.

This is a 400 hour limited-term position, working approximately 30-40 hours/week. Hourly wage is \$11/hr. To be considered for this position, please submit a completed application, cover letter and resume to Kari Kraft at kkraft@newrichmondwi.gov.

Application deadline is Wednesday, May 25, 2016 at 4:30 p.m.
