RE: Traffic/Speed Concerns on Paperjack Drive

Background

Residents have contacted me regarding the speed and other traffic concerns on Paperjack Drive. I would like to brainstorm ideas to resolve this issue.

RE: Speeding/Construction Zones – Public Information Campaign

Background

With all of the road construction going on around the City of New Richmond this summer, concerns have come about regarding speeding within these construction zones and the overall disregard for safety in these areas. I would like to discuss ways to get information out to the public regarding safety in these areas and the fines associated with construction zones.

RE: Off-Leash Dogs on Trails

Background

A number of people have complained about dogs being off leashes on trails within the City. This is a violation of our ordinances. I would like to discuss how we can enforce the ordinances and get the word out to dog owners so they keep their dogs on leashes.

RE: Discussion Regarding an Ordinance for Cats/Possible Licensing of Cats

Background

As you know, there is a huge feral cat problem within the City limits. There are people who have cats that are not feral cats and take good care of them, but their cats have disappeared or been injured due to others not keeping track of their cats. I would like to discuss possible solutions to this problem.

RE: Burning Leaves & Brush Notice

Background

Burning leaves and brush is not allowed in City limits, however some property owners choose not to abide by the rules and burn anyway. I would like to discuss how to notify the public about the ban on burning in the City.

RE: K9 Unit – New Richmond Police Department

Background

I would like to discuss the possibility having a K9 unit in the New Richmond Police Department.
