

Public Works 1

The City of New Richmond is seeking an experienced individual to fill the position of Public Works 1. This position will report to the Water Superintendent and will be responsible for the daily tasks associated with the operation and maintenance of the City's water system, and other public works functions. This is a regular full-time position and will require some standby work on a rotating basis and emergency call outs as necessary.

The ideal candidate will possess knowledge of various water distribution principles and processes and associated DNR regulations. Additional requirements include mechanical aptitude, higher level math and analytical skills, as well as proficiency with a personal computer.

This position requires knowledge of operation and maintenance of the following types of equipment: motors, pumps, lawn mowers, computers, safety equipment, compressors, gas detectors, excavation equipment, water valves and meters, and other devices associated with New Richmond Public Works operations.

Employees must be at least eighteen years of age and possess a valid Wisconsin Driver's License and CDL. High School diploma or GED is required and two years of related work experience is preferred.

The individual selected for this position shall possess, or have the ability to obtain a water operator certification and CDL within one year of hire.

Completed City of New Richmond employment applications should be sent electronically to Kari Kraft at kkraft@newrichmondwi.gov, or faxed to the attention of Kari Kraft at 715-246-7129.

Application deadline is 4:00 p.m. on Thursday, June 2, 2016.
