**Overview:** Extra-Territorial Concept Plan, Certified Survey Map, Preliminary Plat and Final Plat applications will be reviewed by the Development Review Committee (DRC) and discussed by the Plan Commission, which meets on the first Tuesday of each month. A decision to approve or deny the request is made by the City Council at its regular meeting on the second Monday of that month.

**Application Deadline:** Applications must be received by the close-of-business on the **first Thursday of each month**; applications received after this date will not be heard at the Plan Commission meeting the following month.

**Submission Requirements:** The attached application form must be completed and submitted with all requested materials. Failure to submit all application materials may delay the review process described below.

**Escrow Deposit:** Because extra-territorial items can involve a significant amount of research and analysis by staff and/or outside consultants, the applicant must deposit \$500 in escrow in addition to the application fee. Unused escrow funds will be returned to the applicant at the conclusion of the review process.

**Initial Review:** Applications will be reviewed for completeness by City staff, and a determination of completeness will be provided to the applicant either by phone call, email, or letter. We will notify you of the items that are needed in order to complete the application. Once all outstanding application materials are received, the formal review process will begin as described below.

**Formal Review:** Concept Plan, Certified Survey Map, Preliminary Plat and Final Plat applications will be discussed by the Development Review Committee (DRC), which consists of a panel of City staff representing various departments. The members of this panel will address points of concern based on their respective professional experience. A summary of these comments will be provided to the applicant and will be reflected in the staff report presented to the Plan Commission.

**Staff Report:** City staff will prepare a report summarizing the application, reviewing it against City ordinances and policies, and provide a recommendation for the Plan Commission. A copy of this report, along with the relevant meeting agenda, will be provided to the applicant prior to the public hearing at the Plan Commission meeting.

**Plan Commission Meeting:** Applicants are encouraged to attend and participate in order to present the application and respond to questions from the Plan Commission and/or members of the public. The meeting will be held in the City Hall Council Chambers, which is equipped to display drawings, photographs, videos, or other materials.

The Plan Commission Chairperson will call the meeting to order at the appointed time and the minutes of the previous meeting will be reviewed. Items requiring public hearings are next. Since these applications do not require a public hearing, they will follow after any items requiring the public hearing. The Chairperson will introduce an application, and City staff will review the issues and recommendations detailed in the staff report. Commissioners may ask questions about the application to be answered by City staff and the applicant. The Commissioners will discuss the application and make a recommendation for City Council action.

- **Plan Commission Action:** The Plan Commission does not approve or deny an application; instead, it makes a recommendation of approval or denial to the City Council. The application, along with the recommendation of the Plan Commission, is then brought to the City Council which has authority to approve or deny the application.

**City Council:** At the scheduled time, the Mayor will call the meeting to order and it will progress similar to the Plan Commission meeting. Based on the recommendation from the Plan Commission, the City Council may approve or deny the proposal as an item on the agenda. At its discretion the City Council may instead choose to review the application in greater detail and take public comment, before ultimately approving or denying the request.
